President's Notes

The new 2024-2026 biennium is here June 1st. Our club is hosting a social/membership event, Kansas City's Gangster Tour, on June 8th. Dawna Adams has been very patient in the past year trying to find a time that many of us can attend. We've invited KCII members and also friends who may be interested in knowing more about us and Zonta. Lunch at Union Station follows the tour.

On June 2nd the Kansas City II club will host their annual picnic for moms and kids at Sheffield Place. Our club will contribute gift bags containing lotion and body wash for the moms. We're happy to have the opportunity to work with KCII members on a service project.

The International Convention in Brisbane, Australia promises to be exciting. Our District 7 will be well-represented with twenty-four members attending. One of the items of business to be voted on by delegates is a proposal from District 7 – changing the name of the Young Women in Public Affairs award to Young Women in Civic Leadership.

In July, we'll take a break from our monthly dinner meetings, and resume them in August. I hope you all have a wonderful summer, enjoying family, friends, and the 4th of July.
