- We have agreed to be in charge of registration for the District Conference which will be held in Kansas City September 18-20.
- We are also the host club for the Amelia Earhart Luncheon which will be held in January of 2016.
- Our progress on our strategic plan is going very well. We need to continue to focus on membership retention and new members. Our goal is to have 30 members by June of 2016. We currently have 24 members, with another new member planning to join in June.
- Please be thinking about committee work...we will have standing committees and short-term committees. We will be discussing this at our next few meetings.
