#### The Call to District 7 Seminar :

There is a great meeting and an action packed weekend planned and we do hope you will be able to join us. This seminar is all about connecting with one another and the activities planned are sure to foster a fun and social experience for all. The Minneapolis Club will provide a warm welcome to you on Friday afternoon. After socializing with food/drink and conducting a little business, we will enjoy the hospitality room hosted by Area 3.

On Saturday, we will resume meetings with great opportunities for networking and learning. Breakout sessions will be offered! We will allow for a little bit of free time in the afternoon and then shuttle off to the Mall of America for an evening of fun at the Sky Deck. (Shuttle provided to and from the MOA.)

Sunday will wrap up by 11am so everyone can get on the road and arrive home at a decent hour. We so look forward to seeing you in Minneapolis!

*Our next meeting will be held on September 3 at Conroy's. We will have a guest speaker: Jill Vanlerberg. Jill founded "Women Helping Women". She will discuss the date, location, and explain the space we will have for the event. We will plan some Saturdays or evenings in October to work on items to sell.*

**FYI:** The district project for the 2014-16 biennium is *HAITI*. This has been approved by Zonta International. There will be opportunities to join the trips to Haiti. Information about this project will be given at the district seminar in September.
